

## **AUGUST DIG REPORT**

We had 12 members present with one apology. We had a great show of letterbox pictures. Then we had a selection of photos from members to show Jan Baily who critiqued their work. She said we were really showing an improvement in our photography which was a great inspiration for us. Jan then showed us some of her photos, a really enjoyable afternoon. Thank you so much, Jan.

We had tea before ending our meeting at 4.30 pm.

Thanks for all who attended.
